

Health Care: A Human Right or a Profit Center??

Access to affordable healthcare in the U.S. is uncertain even for those who assume they are “well-insured”. For tens of millions, only emergency care is available. Unnecessary deaths, suffering from progressive diseases, and bankruptcies are an American disgrace. Other high-income countries guarantee affordable care.

From the Affordable Care Act to Single-Payer – learn about the paths forward.

Presenter: Ed Cole, business process consultant and progressive activist for universal healthcare.

Where: Frankfort Library: corner of Lincoln Highway (Rt. 30) and Pfeiffer Rd. (88th Ave).
